ABOUT THE TASTE.NUTRITION.HEALTH CONGRESS

Every year, the Taste.Nutrition.Health Congress organised by Vitagora® brings together international experts in the field of health and nutrition (companies, scientists, academics). It is the unmissable event for all those actively involved in developing innovation.

CONSUMER HEALTH AND PLEASURE

In 2014, Vitagora's Taste-Nutrition-Health Congress will focus on the following theme of "Consumer pleasure and health".

A series of burning questions that will guide responses to the evolution of consumer preferences in favour of nutritious food products that are adapted to expectations in terms of **taste and health advantages**.
